FAIRTON SCHOOL
Success in Learning • Success in Life

3rd March 2021

Covid 19 Alert Level 2 – We have moved to Alert Level 2 for the duration of this week. This means continuing to use our contact tracing register and focusing on the use of good handwashing procedures and the hand sanitizer. We will continue to keep you informed about any developments following Government health announcements.

Wheels Day – Unfortunately the weather forecast for tomorrow is not looking friendly for a Wheels day display and activities. We have made the call yesterday to cancel this event and look at a date in Term 4 for rescheduling.

Scooters – We have now three more scooters to add to our fleet. If you have any scooters or skateboards too, that are no longer used, we have several keen scooter/skateboard riders who would be keen to use them.

Lego and Dress ups – Any donations of Lego and Dress up items that are no longer used would also be very much appreciated. The Dress ups are not for the Staff!

Soccer/Football skills - This Friday morning we have Darren from Mid Canterbury Football coming to visit us to take some skills sessions with our students. Please could you make sure that the children have suitable footwear. These skills sessions will be happening for the next four Fridays.

Swimming - With the weather changing into Autumn mode our children will no longer need to bring their togs and towels each day.

Friends of Fairton (FOF) – Our school support group meeting due to be held this evening has been postponed to next Wednesday 10th March at 6pm in our Staffroom.

Fairton Flyer – If you have any classified items or celebration events for the next issue of the Fairton Flyer please contact Livia in our office. The cut off is the Tuesday, the day before, at 3pm.

Road Closure – The road from the railway line along Fairfield Rd to SH1 will be closed off from today until April 6th to allow road resealing to take place. Please use an alternative route for dropping off and collecting children.

Take care out there
Mike

Principal
