

29th July 2020

Welcome – A big welcome to Jade Charlton (Y1) who started at Fairton School on Monday of this week. We also welcome Jade’s family to our school community.

Assembly – Next Wednesday at 2:15pm we will be holding our first assembly for this term. It is in our Library and will be an opportunity for classes to share their recent learning. PIE awards will be given out, as well as an update on the HOUSE competition for Term 3. All parents, caregivers and extended family are welcome.

Website – Please have a look at our new school website. It looks really smart and provides a wealth of information about our school. Our thanks to Sara Stephens, one of our parents and a Trustee, from ***Pixel and Ink*** who created the site.

Fairton School Speech (Poem) Competition – This is only a few weeks away. Please keep the afternoon of Thursday the 13th August free so you can come along in support of our presenters.

If your child received a Cup for last year’s speech competition could you please return it our school office.

Classified Adverts/Birthday notifications – Remember, if you have a classified advertisement or a Birthday/Anniversary notice for the “Fairton Flyer” please contact Livia in our School Office. Issue #8 is due out next week.

FoF Thanks – Thanks to our Friends of Fairton group for their assistance with funding both our new Website and the sandpit extension.

Keep warm and dry

Kind regards

Mike Hill
Principal
