Early next year we will be writing our 2021-31 Long-Term Plan for Ashburton District. To help us get on the right track we have put together a short survey to gather feedback from our community on what's important to them. 2020 has been a challenging and unsettling time right across the country, and this survey is also a chance for our community to let us know how things are going.

Information on the survey is available at [It's Our Place](#), – it shouldn't take more than a couple of minutes to complete. We are accepting feedback until Friday 18 September 2020.
