

COVID-19 ALERT LEVEL 2 – You will all be aware of the Government announcement that from 12noon today we will be returning to Level 2 for the rest of this school week. This means for our school that we emphasize safe hygiene practices with hand washing and hand sanitizing, use our contact tracing procedures and remind our school families that if anyone is unwell they remain at home please. Thanks for your help with this.

Fairton School Speech (Poem) Competition – This is still on tomorrow afternoon. We’re aiming to make a prompt start at 12:45pm. The competition starts with our Room 1 children, followed by our Room 2 speech presenters. The Poem section place getters will be announced after that section, with the Y3-6 results being given at the end.

All parents and family members are welcome to come along to support the children with their oral presentations.

NE Ashburton Small School’s Cluster Speech Competition – This year we are hosting this event. It will be held at the Fairton Hall at 7:30pm next Thursday 20th August. We will have three children taking part following the results from tomorrow’s in school competition.

Hosting means that we have to provide supper and refreshments for the event. We’re asking that every school family contributes something for the supper. It could be a packet of biscuits or some home baking. We would like these brought to school on the day of the competition, no later than 3:15pm please.

Parents/Childrens Games Day – This is a few weeks away on Friday 18th September. Please keep this day free from lunchtime on. We’re aiming to have some games of soccer, netball and hockey between parents and children, with fun being the main ingredient. More details will be sent out soon.

Teacher Only Day – A reminder that our School won’t be open for learning next Friday, 21st August, as our Staff are attending a Literacy workshop. Emergency contact can be made on that day if required by contacting me on my mobile phone. I promise to check it regularly.

Classified Adverts/Birthday notifications – Remember, if you have a classified advertisement or a Birthday/anniversary notice for the “Fairton Flyer” please contact Livia in our School Office. Issue #9 is due out next week.

Keep safe and sound

Kind regards

Mike Hill
Principal
