

Term 3 finish – Term 3 has gone speeding by with our Term ending this Friday 25th September. There are two holiday weeks to follow, before a full Term 4 gets underway. Thank you to all those parents and family who have attended various school events this term. Your support and encouragement of the children is very much appreciated.

Covid-19 Alert level 1 – With the move to Alert level 1 we are still maintaining our use of hand sanitizer and the regular washing of hands. Our children are very good now at remembering the right steps to avoid sickness and spreading illness. Thanks for your help with this.

School Property update – The new gate has now been added to the upgraded fencing at our front entrance. Over the holidays the team at Spraymarks will be onsite with new signage and court markings being put in place.

Thanks – A big thank you to Nick and Danielle McKain for equipping our woodwork table with saws, hammers and a wide range of tools. Our children, of all ages, are thoroughly enjoying the opportunity to create and build. I've even had carpentry 101 with explaining how a Spirit Level works 😊

Room 2 Camp and Room 1 Sleepover – In the first week in Term 4 our classes are involved in our two annual EOTC (Education outside the Classroom) events. On Wednesday 14th October Room 2 heads to Hanmer Springs for an action packed three days. On Thursday 16th October Room 1 begin their Sleepover programme, heading down to Timaru for a busy day, before returning to school, for the sleepover itself. A big thankyou to all those parents who are helping in some way for these class events. They always prove to be a highlight for the children's year.

Swim Week – Swim Week is well under way. Our children are involved in the Learn to Swim programme tailored to whatever level they're at. Parents can collect their children from the EA Networks Complex directly after the afternoon swimming (approx. 2:15pm) if you'd like to do that.

Sandpit TOYS WANTED - A reminder that if you have any durable sandpit toys, that are no longer in use at home, that our sandpit crew would really appreciate them.

Toy Time – This Friday 25th September is our Toy Time day for the term. Children can bring a toy along for the day (not the whole toybox 😊)

Classified Adverts/Birthday notifications/Notices – Remember, if you have a classified advertisement, notice or a Birthday/anniversary notice for the "Fairton Flyer" please contact Livia in our School Office. Issue #12 is due out the first week back after the holidays.

Have a safe and refreshing holiday break. See you all on Monday 12th October.

Kind regards

Mike Hill
