

**Term 4** – Welcome back to Term 4 everyone. It's a busy term with our Athletic Sports, at Netherby School, on 27<sup>th</sup> October being the first of several events this term. Please check our Facebook Page and School website for regular updates.

**Covid-19 Alert level 1** – We are still at Alert level 1. Here at school we'll continue to ensure children, Staff and visitors use hand sanitizer and maintain good health and hygiene practices. If your child is unwell please keep them at home until they're healthy enough to return to school. Thanks for your help with this.

**School Property update** – Over the holidays the team at Spraymarks were onsite with new signage and court markings being put in place. They have put new markings down for our drive through drop off and our car park, as well as repainting the footprint walkways and hard court game markings. They all look really good.

**Room 2 Camp and Room 1 Sleepover** – Tomorrow Room 2 heads to Hanmer Springs for their three day Camp. The next day, Thursday 16<sup>th</sup> October, Room 1 begin their Sleepover programme. Again a big thank you to all those parents who are helping in some way for either the R2 camp or the R1 Sleepover. Thanks too to Miss Smith and Mrs Small for all their hard work organizing these EOTC programmes.

**Swim Week** – At the end of last term we had our Learn to Swim Programme at EA Networks. Congratulations to Florence McLeod and Eevee Periton for passing their swim levels.

**Sandpit TOYS WANTED** - A reminder that if you have any tough sandpit toys, that you would be willing to donate to the school, they'd be very much appreciated.

**Classified Adverts/Birthday notifications/Notices** – Remember, if you have a classified advertisement, notice or a Birthday/Anniversary notice for the "Fairton Flyer" please contact Livia in our School Office. Issue #12 is due out tomorrow.

Kind regards

Mike Hill
