

21st October 2020

Sunhats and Hi Viz tops – Just a reminder that as it's now Term 4 everyone needs to be wearing their sunhat. Our rule is No hat – No play. All children are required to have a school provided Hi Viz vest to wear, as a safety uniform, on any trips we are involved in. If your child has outgrown theirs or it needs replacing for some reason please see Livia in our Office for a replacement.

Athletics Day – Next Tuesday 27th October is our Cluster School's Athletic sports. This is a full action-packed day with students giving their best in a wide range of Athletics events. Accompanying this newsletter is a notice with all the relevant details.

School Working Bee – Next Thursday 29th October we're having an after school working BEE from 3:15pm to sun down. We're doing some further garden jobs and a general tidy up around the school. One thing we do need is a post hole digger (with attached tractor??) for relocating the old lunch area seats.

Room 2 Camp and Room 1 Sleepover – Both these excellent events are now over. It's been great hearing from children about all the fun activities that they were involved in. These events are a highlight for our students. Our thanks again to all the parent support that is needed to make these events take place. Mrs Small and Miss Smith both did a wonderful job with organizing things. A BIG thank you too to Talleys for supplying food items for our hungry campers and sleepoverers.

Open Day – On Wednesday 4th November we will be having an Open Day here at Fairton School. It will run from 10am to 6pm. You're most welcome to come along and see our school in action and to also invite anyone along who may be thinking of having their children attend our school.

Sandpit TOYS - Thank you for the great selection of Sandpit toys that have been donated. We'll probably need a bigger sandpit now to fit all the toys in!!

Classified Adverts/Birthday notifications/Notices – Remember, if you have a classified advertisement, notice or a Birthday/anniversary notice for the "Fairton Flyer" please contact Livia in our School Office. Issue #13 is due out next Wednesday.

Assembly – Next week on Wednesday 28th October we are having our first assembly for Term 4. This starts at 2:15pm in our school library. We'll have classes sharing their learning and have our Values award presentations. Wednesday is also the postponement date for the Athletics. If the Athletics are on the Wednesday there will be no assembly. Our assembly will then take place on Wednesday 4th November.

Kind regards

Mike Hill
Principal
