

18th November 2020

County Athletics – Congratulations to Kate Cochrane for her second placing in the discus at the County Athletics. This means that Kate will now represent Mid-Canterbury in the **Canterbury Zone Athletics** on Wednesday 2nd December. We wish Kate all the best for that.

Class Swimming – From next Monday could all children please bring their togs and towel to school each day. It would be very helpful if all swimming items are named, including any swimming goggles please and they're all in a named swimming bag. Thanks for your help with this.

Pool Keys – These are available for families to purchase for the Summer season. The cost for school families is \$60 including \$10, which is refundable, when the pool key is returned at the end of the season. Please contact Livia in our office if you would like to obtain a Pool key.

Board of Trustees Update – Congratulations to Charlene Smith and Laurie Rattray on their election as Parent representatives to our Board of Trustees. We look forward to welcoming you along at our next meeting.

Agri Day – We had an action-packed day last Thursday with our Agri Day programme. The day started with a visit to one of Talley's Pea harvesting paddocks and this was followed by a visit to their factory. The visit concluded with Talley's putting on morning tea for the children. Actually, it was more like lunch with hash browns, fries and a drink! Our apologies to parents if a lot of the packed lunch ended up heading home. The afternoon's Pet Programme and judging of Animal creations came next when we were back at school. Thanks to all those parents who came along to the afternoon's programme and helped out with animal control. Thanks also to Laurie Rattray, our new Trustee, for presenting the certificates at the end of the day.

Kids Vs Parents Games & BBQ evening – Please mark this on your calendar.
