

9th December 2020

There are now just six days of the 2020 school year left! Those six days are very busy ones. If you have any questions about any of the events coming up, please contact Livia in our Office.

Kids Vs Parents Games & BBQ evening – Thanks for the great turn out of families for this event. We had mini tennis games on the court and a full on game of Kiwi cricket happening out on the field. It looked like both parents and children were very competitive. A barbecue tea followed on from the games (Thanks Jack and Shane for being the chief Chefs) and the evening concluded with a dip in our warm water pool. We look forward to having this event again in 2021.

School Van – Our Board of Trustees has just recently purchased a 10-seater van which the school will use for transporting children from town out to school, transport help for class trips and sports events. More details will follow in a notice early next week.
