Rugby Skills Report

On Friday 14th May we had our first Rugby Skills session with Piper the Rugby Development officer for the Mid Canterbury Rugby Union. Our students had lots of fun learning the various skills as part of the range of challenges. We have two more Friday sessions to go.

Clearer view

Last week saw plenty of action next door to the school with Greg Donaldson Contracting on site clearing out the old macrocarpa trees that had overgrown the space and were now blocking road visibility to the school entrance and recycling depot. The children had a chance to see the machines in action.
