Teacher Only Day – A reminder that our school will be closed next Friday, 4th June, for a Teacher Only Day. Our staff will be joining with other teaching staff in Mid Canterbury for a Professional Development day. School will be back in action the following Tuesday, 8th June following the Queen's Birthday weekend Monday holiday.

Rugby Skills– All our students have been enjoying our Friday rugby skills sessions with Piper, the MCRFU Development Officer. Our third and final session is tomorrow. Our thanks go to MCRFU for providing this to schools.

Fairton Flyer – Don't forget that the Fairton Flyer #24 is due out next Wednesday, 2nd June. If you have any notices, advertisements or news for this community newsletter please let Livia know by Monday 1.30pm.

Wonderful Wheels Day – As part of our Transport theme for the year we're now holding a Wonderful Wheels Day twice a term. TOMORROW is our first one for Term 2. Children can bring along their own wheeled devices. These can be toys or ones the children can use such as skateboards, scooters and bikes. This continues on from the two days held in Term 1.

Elgregoe Performance – Last Friday our school attended the Elgregoe Show held at Netherby School in their hall. The theme for the show was about treating others well. This tied in very well with our Pink Shirt Day – an anti-bullying day. Thanks to the parents who helped with transport to and from the show.

Keep Warm

Kind regards
Mike Hill
