

2nd July 2021

Wonderful Wheels Day – Next Friday 9th July we will be having another Wonderful Wheels day, as part of our Transport theme for the year. Children are welcome to bring their wheeled devices along such as bikes, skateboards and scooters. They can also bring transport themed toys and R/C vehicles. If they don't have one of the above, they can bring along their favourite soft toy.

School Shuttle Service Driver – We are on the hunt for a driver or drivers for our big blue school shuttle van. If you are able to help, even for a few days a week please contact me. We could have different drivers doing different days, that wouldn't be a problem.

The van now has a new battery, so we're hopeful that the starting issues will be a distant memory!

Thank you to those parents who have made donations towards the cost of the service. This is very much appreciated.

Construction items – Room Two is beginning their visual art shoebox transport creation project. They need any of the following items:

- Bottle tops
- Jar lids (plastic)
- Gladwrap roll tubes or similar
- Small cardboard boxes (raisin packets etc)

Please bring any donations to our school office.

Enrolment Zone feedback - A reminder that if you wish to make comments about the proposed enrolment zone for our school, you need to do so by 9th July 2021.

Keep that laugh above your scarf
Mike
