

15<sup>th</sup> February 2023

## **SICKNESS**

We have had a few children and staff with Covid over the last couple of weeks. I hope everyone is starting to feel better now. Children have been really good at washing hands and using sanitiser. Keep the testing up if you notice your child has symptoms. Livia (Office) has some tests you can use if you need these.

## **NZEI MEETING**

The teachers have a paid NZEI meeting on Wednesday March 1 2023. Jude will remain at school teaching, but you are welcome to take your child home at 1.30 pm if you wish to.

## **BARBECUE**

The barbecue will now be on Wednesday February 22, 5.30 pm until 7.00 pm. We will supply sausages and some treats for the children. Bring your togs, and the more the merrier!

## **HEALTHY ACTIVE TAMARIKI EXPO**

Our children are taking part in the Healthy Active Tamariki Expo at the EA Sports Centre on Wednesday March 29. We are to provide a stand at the Expo demonstrating some learning we have been doing at school. This learning will happen in class. We will also have an opportunity to look around all the different displays showing healthy life choices.

## **IEP's**

If your child is on an individual Education Plan, Medical Plan or Behaviour Plan, we are starting our first round of reviewing these over the next few weeks. We will organise a good time to meet with you. These meetings will include the Teacher, SENCO and any other involved organisations, such as RTLB.

## **LIBRARY BOOKS**

Please remind your child on Tuesday evening to bring their library books back for Wednesday afternoon, which is our library day. The children love getting new books each week.

## **SCHOLASTIC BOOK CLUB**

The final day to have your book club order in is this Friday 17<sup>th</sup> February, please drop them into the office. Alternatively, you can order online by visiting [scholastic.co.nz/LOOP](https://www.scholastic.co.nz/LOOP).

Kind Regards  
Jude
