

13th September 2023

Swim week: This week we are involved in the Learn to Swim programme at EA Networks pool. It's great to see the improved skills that children develop over the week of lessons.

Family Games Night: A huge thanks to the Fairton Home and School team for putting on a great Family fun night. The Home and School team would also like to thank the Haskett's from KFC for donating the KFC vouchers and Talley's for supplying the ice cream.

Athletics Day: Our annual Cluster School's Athletics day held at Netherby School will take place on Wednesday 11th October (first week of Term 4). More information about this will be sent out next week.

Lost property: Please can you check the names in your child's polar fleece. A family has lost two polar fleeces in the last few weeks. If you do have a child's polar fleece that is not your own, please drop in into the school office. Thanks.

Sunhats: Now is the time to look for sunhats at home and start bringing them back to school. Our Term 4 policy is no sunhat no play.

Wacky Wig Wednesday: Next Wednesday 20th September we will be having a Wacky Wig Day. This is to support the Wig Wednesday that is taking place today. Children can come in non-uniform on the day but it has to be wacky. Could be odd socks, inside out clothes and hair to be in a wacky way.

Toy Time/Wheels day: Next Friday, the last day of term, 22nd September will be a Toy Time and Wheels Day. Children are able to bring their wheels and 1 toy from home. If they are really precious it's probably a good idea that they stay at home.

End of term: This term has gone quickly. Summer is just around the corner and Daylight savings starts next weekend. Thank you everyone for your support and teamwork this term.

Have a great week!

Kind Regards

Jude Irwin
Principal
Fairton School
