

12th June 2024

Swim Week: Swim week is going well, and the children are focused and learning lots of new skills. Keep the swimming togs, towels and goggles coming until Friday. Please let the office know if you are planning to pick up your child from the EA Networks Centre, thanks.

Thank you: A huge thank you to all of the families that turned up on Sunday afternoon to the Fairton Home & School Meet and Greet. We managed to get a lot accomplished. We made 'Save our Pool' signs and outside was a hive of activity tidying up the school grounds. Being a small school we really appreciate our families helping out! Thanks to Fairton Home and School for organising the day.

Heartland Music Festival – This event takes place tonight and features our Room 2 students. Please can you have your child at the Events Centre by 7pm and then pick your child up after from the foyer at 9.15pm.

This is going to be a great event. Good luck to our Room 2 students!

Polar Fleece / Jerseys / Jackets / Slippers: Now that the cooler weather is definitely with us, a reminder to please send children along with the appropriate winter wear. Children are also welcome to bring slippers to school for inside class use.

Teacher Appreciation Note from Angela Muckle

This is a message in appreciation of Harrison.

He has very much impressed me.

With his friends he helped to organise a colouring in competition for the children to enter. The tamariki loved it! They had a presentation of the winners, and the group also organised prizes.

This is beyond the classroom programme, and I love it. This is how leaders are developed!

Thank you to his family for supporting his ideas.

Kai pai Harrison ☺

Term 2 - Dates to remember

Wednesday 12th June

Mon 10th June – Fri 14th June

Wednesday 26th June

Friday 28th June

Friday 5th July
